# MANCHESTER BOARD OF EDUCATION HEALTH REQUIREMENTS FOR MANCHESTER SCHOOL ENTRY 2016-2017

To facilitate the entry of your child into a Manchester School, the following health documents should be presented to school officials at the time of registration.

#### PHYSICAL ASSESSMENT:

A copy of a physical assessment, completed by a licensed Healthcare Provider that includes the elements of the Connecticut Health Assessment Record (HAR-3) is required. This includes an assessment for TB risk and chronic disease assessment. The Connecticut Health Assessment Record can be obtained from any school office or at the Board of Education website.

School nurses and registrars are available at each school to assist parents to meet these requirements. Students having difficulty obtaining medical services to meet these requirements due to lack of insurance should contact the Husky Plan toll free at 1-877-284-8759.
